Missions/Community Ministry Report

Since the start of the 2014-15 school year, FBC has created a partnership with Morningside Elementary School. We have sponsored a teacher work day lunch and started the Snack Sax program there. Currently groups are packing 300 snack bags weekly that are sent home with children in need. Sixty individuals volunteer each month to support this program. Also the local bus drivers were recognized with a breakfast. I am looking forward to the coming months as we hope to have other great opportunities for our church family to get involved in community outreach. Terry McNair, Director
